

UA80

The UA80 is an industrial-grade tablet that is powered by a Qualcomm 8-core processor and runs on Android 13. It can withstand a 1.2-meter marble drop and features an IP65 rating for water and dust resistance. The display supports wet hand and glove touch modes, allowing you to work stably and confidently on outdoor projects.

- 

Robust Hardware Capabilities

Run on Android 13 and deliver robust performance with an 8-core CPU at 2.0GHz and ultra-large storage of 6GB RAM and 128GB ROM.
- 

Enhanced Display Experience

Boast an 8-inch display with 800 nits brightness and enhance the viewing experience in direct sunlight.
- 

Long Running Time

Feature a large-capacity battery with a minimum life of 8 hours and reduce frequent recharging to ensure continuous workflow.
- 

Strong Protection Design

Come with an IP67 rating for water and dust resistance and feature 1.2m drop resistance to avoid product damage.

OS	Android 13
CPU	8-core at 2.0GHz
RAM	6GB
ROM	128GB
Display	8 inch, 800nits
